RecoveryPlanner Expands in Nigeria, Africa
New Strategic Partner - PQR Solutions

Trumbull, CT, USA – May, 2010. RecoveryPlanner, the leader in emergency management, business continuity and disaster recovery software and services, announced a partnership agreement with PQR Solutions of Lagos, Nigeria. This partnership will provide access to efficient high quality recovery solutions in the rapidly developing Nigerian economy.

PQR Solutions provides sales, training, and professional services to develop, maintain and activate continuity, recovery and emergency plans. “The Nigerian market for Business Continuity Management (BCM) has gotten more sophisticated and has placed growing emphasis on disaster recovery planning. RecoveryPlanner software and PQR Solutions can save time and money while increasing the quality of continuity programs” said Bolaji Oye, Founder, PQR Solutions.

“With over 15 years in IT and recovery plan management, Bolaji Oye and PQR Solutions represent the leadership and local assistance to leverage the RecoveryPlanner system to simplify and accelerate the continuity management process while assuring higher-quality, lower-risk results. PQR Solutions can help create the shift from static plans to a dynamic, robust, “living” BCM practice while increasing return on investment for the effort” said Dan Delventhal, VP, RecoveryPlanner. “With a certified partner in Nigeria, we have further improved our ability to support a growing list of global RecoveryPlanner customers augmented by a network of formally trained and supported local continuity professionals”.
